Personal alarm that works everywhere and increases the freedom of the user

SENSOREM

Based on 746 reviews

4.6

Trustpilot

- **Increased safety** – call for help with the push of a button!
- **Increased freedom** – works everywhere – even outdoors!
- **Private personal alarm** – without intervention of home care!

- ✓ Works both indoors and outdoors worldwide
- ✓ The alarm goes to the next of kin, then to the alarm center
- ✓ Works independently without a mobile phone
- ✓ Stylish and discreet safety watch
- ✓ GPS positioning in the watch
- ✓ Easy to use!

1. The alarm button is pressed

2. Relatives are called automatically with the watch's speakerphone

3. SMS + push notification with GPS position is sent to the user's relatives' phones

4. If no relative answers, the call is connected to the alarm center

From EUR 21.25/month – turn the page to order!
